

ActiveKids

**Hands-on Science
Projects after every class!**

Afterschool Program 2017 - 18 Term 1 Quarry Bay School

SCIENCE ADVENTURES

Every Thursday 2:45 - 3:45p.m.

Invention Dimension

Club Invention Dimension! Children discover and create amazing inventions. They launch a marshmallow across a room with a Medieval Lever, discover the key to designing super strong bridges, and build their very own motored pen to become a certified "Ingenuous Inventor"!

Science Bloopers

What happens when an experiment goes completely wrong? Great science, that's what! Take a look at some of the greatest science blunders, and how with a little imagination, they were turned into amazing discoveries. From electric circuits to dinosaur bones, some of the best science happens when least expect it.

**Bring something delicious
home after class!**

STORMY CHEFS

Every Monday 2:45 - 3:45p.m.

This year our Stormy Chefs will explore the 3 Food Wonders:

- The Wonders of Flour
- The Wonders of Veggies
- The Wonders of Grains

Meeting once a week, kids will have fun cooking something delicious and native to each ingredient. You will be impressed by all the yummys your child brings home!

Brand New Recipes in each Term & everyone will receive Recipes Booklet and an Apron!!

#1 Chess Program in HK!

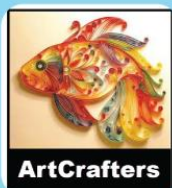

THE CHESS ACADEMY

Every Wednesday 2:45 - 3:45p.m.

No. 1 Chess Program in Hong Kong! Our goal is to help children enjoy a good game of chess and to develop their character through chess playing. Our classes will help children in developing

- Sportsmanship
- Confidence
- Strategic thinking
- Attention span
- Spatial Reasoning
- Patience & more...
